Hey Mike, what kinds of plans? Work Plans, or investigation reports? 81 SWMUs and a few AOCs were identified at the facility then further grouped together and investigated since 2003, so whittling it down based on specifics might be easier for you.

Thank you,
Do you also have their submitted plans required by the order?

Hey Mike,

Attached is the current corrective action order for the West Plant. Is this what you're looking for?

Brandon-
Can you share the current active RCRA orders that EPA has with ArcelorMittal IN Harbor?
